

APPEAL FOR HELP TO RENOVATE FKA
To MVC Alumni, Friends, and Supporters of
Mountain View College:

Warm greetings in the name of our Lord!

We reach out to you with a heartfelt appeal to support the much-needed **renovation of the Florence Kern Auditorium (FKA)**—a beloved and iconic structure at the heart of **Mountain View College**. Built in 1957, the FKA has long stood as a symbol of unity, faith, and celebration. It has witnessed countless graduations, worship services, musical performances, and life-changing moments. For many of us, this auditorium holds deep, personal memories.

Sadly, time has taken its toll. The structure is now **deteriorating**, and without urgent repairs, we risk losing not only a physical building but a **cherished part of MVC's legacy**.

We invite you to be part of this **meaningful restoration project**. Our goal is to raise **₱12,000,000** and begin renovations by **January 2026**. Every contribution—large or small—brings us closer to this goal. When many give, the burden becomes light.

To honor your generosity, we will recognize each donor through **custom nameplates** that will be permanently displayed in the newly renovated auditorium.

TO AVAIL THE IRS TAX WRITE-OFF OF YOUR DONATION TO THE FLORENCE KERN AUDITORIUM. Please follow these steps in accessing Adventist giving online for your donation:
